

Your Game. Our Passion.

2019 PRODUCT CATALOG

FINGER INSERTS

The Ultimate lift oval and lift semi finger inserts are made up of a combination of styles, textures, colors and sizes that will ensure the fit and feel desired by a bowler of any skill level.

The Ultimate sticky grips have a tacky feel creating a slower release and more revolutions.

LIFT OVAL

OVAL SIDE:
Smooth surface - milled oval.

LIFT SIDE:
1/4" smooth surface - power lift.

Available in 7/8", 31/32" and 1-1/32" outside diameter in eleven different colors.

Sticky available in black only.

LIFT SEMI

SEMI SIDE:
Smooth - semi bump.

LIFT SIDE:
1/4" smooth surface - power lift.

Available in 7/8", 31/32" and 1-1/32" outside diameter.

Available in clear sticky only.

* Lift oval previously known as TLO. ** Lift Semi previously known as TLS. *** Sticky previously known as Super Sticky.

CLEANERS AND POLISHES

BLACK MAGIC ORIGINAL

- Ultimate product line staple since 1992
- Revolutionary polish for all performance-level balls
- Will not alter the integrity of coverstocks
- Helps ball get through heads cleaner
- Retains energy for increased down-lane motion
- USBC approved for before and after use

66-450037-002 - 8 oz.

66-450037-032 - Quart

BLACK MAGIC XL

- Deep cleans and polishes bowling ball coverstocks
- Creates extra length on most lane conditions
- Takes surface off without affecting peaks and valleys of coverstock
- USBC approved for before and after use

66-450038-008 - 8 oz.

66-450038-032 - Quart

BLACK MAGIC XXX

- Designed for rev-dominant and low-rev, lower ball speed bowlers
- Creates greater length than our Black Magic XL polish
- Deep cleans and polishes without changing the integrity of the coverstock
- USBC approved for before and after use

66-450040-008 - 8 oz.

66-450040-032 - Quart

QUIK KUT SAND AND POLISH

- Easy-to-use sand and polish in one step
- Deep cleans oil, dirt and stubborn black marks
- Contains no abrasives, alcohol or solvents
- For use on performance bowling balls
- USBC approved for before and after use

66-450034-008 - 8 oz.

66-450034-032 - Quart

ULTRA CLEAN GEL

- Alternative to our foam cleaner
- Deep cleans oil, dirt and stubborn black marks
- Contains no abrasives, alcohol or solvents
- For use on any type of bowling ball
- USBC approved for before and after use

66-450036-008 - 8 oz.

66-450036-032 - Quart

BLACK MAGIC REJUVENATOR

- One-step cleaner and rejuvenator
- Absorbs, emulsifies and removes lane oils
- Restores "tacky" feeling
- Deep cleans, removing surface oils, belt marks and dirt
- Increases coverstock longevity
- For use on any type of bowling ball
- USBC approved for before and after use

66-450039-008 - 8 oz.

66-450039-032 - Quart

FOAMING BALL CLEANER

- All purpose ball cleaner
- Deep cleans, removing surface oils, belt marks and dirt
- Can be applied directly to ball surface
- Contains no abrasives, alcohol or solvents
- USBC approved for before and after use

66-450043-007 - 7 oz.
